International Financial Reporting Standards: Overview & Update 2010

14 & 15 September 2010 ■ 9.00am – 5.00pm ■ Evergreen Laurel Hotel, Penang

“Convergence is inevitable, resistance is futile. So the issue is how do we properly embrace IFRS to minimise disruptions, manage change and reap the benefits of being IFRS compliant.”

MOHAMMAD FAIZ MOHAMMAD AZMI
Chairman, Malaysian Accounting Standards Board

FRS in Malaysia will converge with international standards on 1 January 2012. CCH Executive Events presents this workshop to provide a technical brief on standards issued by International Accounting Standards Board (IASB) and to explain the salient features of each Standard from the perspective of preparers and auditors. It also examines their influence on management practices, the impact on the financial performance and financial positions, as well as implications on financial ratios.

This workshop can also be served as a comprehensive refreshers course on all the IFRSs and IASs that are currently affecting the auditing profession as well as the business community.

Benefits for Attending

- Appreciation of the current practice of applying the IFRSs and IASs
- Better understanding of their impact on financial statements
- Discussion of the most current technical issues.

Who Should Attend

- Chief Financial Officers / Financial Controllers
- Finance Managers and Executives
- Accountants
- Auditors
- Business Advisers / Leaders
- Anyone who uses Financial Reporting Standards

Workshop Leader

Danny Tan has over 30 years of working experience in public practice, commerce and industry. He was trained with a firm of Chartered Accountants in London where he worked for over 10 years and he also worked for 5 years in UK based multinational corporations. He is currently the partner of a consulting firm providing financial training and consultancy for firms in public practice and industry specialising in International Financial Reporting Standards. Danny is a regular speaker for various professional institutions and public listed companies in several countries. He is currently serving as a project manager to the Malaysian Accounting Standard Board in several Working Groups.
